Central Schemes for Medicinal and Aromatic Plants etc.

2747. SHRIMATI CHANDRA KALA PANDEY: Will the Minister of AGRICULTURE be pleased to state:

(a) the salient features of the Centrally sponsored schemes of Development of Medicinal and Aromatic Plants; Development of Roots and Tuber Crops; Development of Mushroom, Bee keeping; Scheme for foundation and certified seed production of vegetable crops, State Land Use Boards; Oilseeds production programme;

(b) the criteria for allocating funds under each scheme to States and corresponding central share; whether these funds would be given to States as 100 per cent grant or whether it would follow the usual 70/30 (loan/grant) formula for Plan assistance; and

(c) the State-wise details of proposals received, funds released and utilized during the last three years?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) These schemes aim to increase the production and productivity of the respective crops through Supply of quality planting material of improved varieties and making available technical know-how to growers through trainings and demonstrations. The scheme on State

Land Use Board envisages implementation of 19 point recommendations of the National Land Use Policy and promote scientific land use/review of land based programmes at State level etc. The scheme on Bee-keeping aims at increasing productivity of crops through enhanced pollination.

These Schemes, except the scheme on Oilseeds Production Programme, have now been subsumed, since October, 2000, in the scheme on macro management of agriculture-Supplementation/ complementation of States' efforts through work plans. Under these schemes States have greater flexibility to prioritise their needs. The programmes of these schemes can now be pursued by the States/UTs through their work plans.

(b) The approved pattern of assistance under the scheme is in the ratio of 90:10 for the Centre and the States respectively except in the case of North-Eastern States including Sikkim who are being given 100% Central assistance. The Central assistance released to the States would be in the ratio of 80% grant and 20% loan. The allocation of funds under the scheme is made to States/UTs after mutual discussion with them on their work plans. However, States can make further allocations on individual interventions according to their developmental priorities based on work plans.

Under the Centrally Sponsored Scheme on Oilseeds Production Programme the criteria for allocation of funds is done on the basis of area as well as the procduction of Oilseeds Crops in a particular State.

(c) In order to avail assistance under macro management scheme, each State/UT submits its proposals in form of work plans which are discussed between the Department of Agriculture & Cooperation and the States/UTs concerned for allocation of funds. Statements indicating release of funds utilization/unspent balances is annexed at Statements I to VII

Statement-I

Fund release and utilization for Macro Management of Agriculture

(Rs. in lakhs.)

State Govt. Departments

Ban on fishing in Arabian Sea

2748. SHRI A. VIJAYA RAGHAVAN: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government have decided to stop fishing of certain fish varieties like shark, in the Arabian Sea;

(b) if so, the details thereof and the reasons therefor;

(c) whether Government would consider to ban fishing of certain varieties of fish from our sea; and
